

# Parent/Guardian SEA Chromebook Virtual Information Night

## Tuesday, January 23

Two 30 minute Sessions • 6:00 pm and 6:30 pm

In this virtual information session provided by DDSB Inclusive Student Services; parents, guardians and students will **learn about the accessibility tools available on student Chromebooks**. We will demonstrate how to adjust the settings on the some of the key tools to support your child.

- \* It is recommended that you have the Chromebook available during the session to follow along.

**Register Now!**

*If you do not receive a confirmation email, please make sure to check your spam or junk folder.*

The DDSB is committed to meeting its responsibilities under the Human Rights Code (the Code) and the Accessibility for Ontarians with Disabilities Act (AODA). If you have accommodation or accessibility needs under the Code and/or AODA to participate in this SEA Chromebook workshop please contact Carolyn Wilson or Sherri Stokes by Tuesday, January 16.
