

## **School Bus Cancellations**

With colder temperatures approaching, we are sharing information on how the DDSB is approaching the cancellation of buses due to winter weather in order to ensure everyone remains safe. There will be some changes for this school year.

**O’Neill CVI is unique and falls under two bussing zones, Zone 3 (Scugog Area) and Zone 4 (Southern Area).**

*In the event that transportation services are cancelled due to inclement weather the following will apply to O’Neill CVI students;*

If **Zone 3** is cancelled students should connect with their morning class through Flex-Time (asynchronously) and should connect with their afternoon classes through Real-Time (synchronously).

If **Zone 3 and 4** (all busses) are cancelled then all students will engage synchronously with all of their classes for the day. **All O’Neill students would be required to stay home.** In this situation, both cohorts will be taught virtually in RealTime by their teacher in the morning. We are taking this approach as students are already learning virtually in their classes. If any students arrive at school, we will ensure that they can return home safely.

For small class placement classrooms, you will be consulted directly in order to determine if the class preference is to switch to virtual or remain in-person due to extreme weather.

**How will I be notified if transportation services are cancelled and/or schools are closed?**

Families will be notified as soon as possible (no later than 7:00am) through a posting on the DDSB website, social media and where possible, through local radio stations.

**What zone am I in?**

Students at O’Neill CVI are in **Zone 3 (Scugog Area) and Zone 4 (Southern Area).**
